ORDER

This cause comes before the Court on petitioner's motion to recommend community corrections center placement. Petitioner asks that this Court recommend that the Bureau of Prisons allow her to serve the last twelve months of her sentence in a community corrections or residential reentry center. The Court's recommendation is one of five factors considered by Bureau of Prisons when designating offenders to places of incarceration. 18 U.S.C. § 3621(b).

For good cause shown, petitioner's motion [DE 283] is GRANTED. As her release date is within twelve months, the Court RECOMMENDS to the Bureau of Prisons that petitioner be permitted to serve the remainder of her incarceration in an appropriate community corrections or residential reentry center. The clerk is DIRECTED to serve a copy of this order on the United States Probation Office and the Bureau of Prisons.

SO ORDERED, this 26 day of June, 2018.

TERRENCE W. BOYLE
UNITED STATES DISTRICT JUDGE
